Marriage Policy and Guidelines

Islamic marriages are performed at ICN subject to the bride and groom having obtained a marriage license from the county clerk's office of the county where the marriage will take place.

The couple expected to get married must appear in person with proper photo IDs (state ID, driver's license or a valid passport) at the office of the County Clerk to obtain a license to marry.

A marriage license may be issued to them, with a fee of \$35 (current in 2016), which becomes effective 24 hours after it is issued, and remains valid for 60 days.

Thereafter, an appointment should be made with an authorized representative of ICN to perform the nikah (Islamic marriage). A preliminary marriage application may be required.

After nikah (Islamic marriage), the county license is duly completed and signed, to be returned to the County Clerk's office for issuance of the final Marriage Certificate (for which the county requires a fee of \$14 for one copy or \$16 for two copies of the Certificate).
