Marriage Policy and Guidelines

Islamic marriages are performed at ICN subject to the bride and groom having obtained a marriage license from the county clerk's office of the county where the marriage will take place.

The couple expected to get married must appear in person with proper photo IDs (state ID, driver's license or a valid passport) at the office of the County Clerk to obtain a license to marry.

A marriage license may be issued to them, with a fee of \$35 (subject to change by county), which becomes effective 24 hours after it is issued, and remains valid for 60 days.

Thereafter, an appointment should be made with an authorized representative of ICN to perform the nikkah (Islamic marriage). A preliminary marriage application may be required.

Temporary Nikkah Policy During Covid-19 Restrictions

- Nikkah services will be performed at the ICN facilities but with restrictions
- Not more than 50 people will be allowed in the facility (numbers will be revised on a regular basis)
- Food will not be allowed in the facility – however, take-out boxes may be distributed outside the building
- ICN guidelines during this period – of masks, temperature scan, QR Code and social distancing norms to be strictly followed

After nikkah (Islamic marriage), the county license will be duly completed and signed by an authorized ICN representative, to be returned to the County Clerk's office for issuance of the final Marriage Certificate for which the county requires a fee of \$14 for one copy or \$16 for two copies of the Certificate (fees subject to change by the county).
